MINUTES

The minutes from the August 7, 2003 meeting were approved as written.

OTHER BUSINESS

Dennis Strong gave a demonstration of the problem sprinkler installers are having in connection with the requirements in Section 1621.2.5.2.2 of the 2000 IBC. Those present discussed the problem and a proposal will be presented at the next meeting.

Scott Marsell suggested that the current amendments for Chapter 10 of the IBC also should be included in Chapter 10 of the amendments for the IFC. A motion unanimously passed to incorporate the four IBC amendments for Chapter 10 in R710.

REVIEW OF IFC

Scott Adams asked that the reference standards also be correlated between the IFC and the IBC so that the building official and the fire officials are consistent. Brent Halladay will submit the proposal for review at the next meeting.

Brent Halladay asked that the committee review NFPA 96 and the IMC. The committee will discuss this at the next meeting.

Ted Black gave a review of Chapters 21 and 22. A motion unanimously passed to accept the two chapters as written.

Brent Halladay gave the review for Chapter 23 and a motion unanimously passed to accept the chapter as written.

Bret Larson gave the review of all of the changes made in Chapter 27. A motion unanimously passed to accept the chapter as written.

Dan Andrus gave the review of Chapters 28, 29 and 37. A motion unanimously passed to accept the chapters as written.

Bill Bonn gave a review of the changes for Chapter 30. A motion unanimously passed to accept the chapter as written.

Matt Schwenk gave a review of the changes made in Chapters 31, 32 and 39. A motion unanimously passed to accept the chapters as written.

Brent Halladay gave a review of the changes made in Chapter 33. A motion unanimously passed to accept the chapter as written.

Scott Adams gave a review of Chapters 34-36 and the changes that have been made. A motion unanimously passed to accept the chapters as written.

Brent Halladay gave the review of the changes in Chapter 38. A motion unanimously passed to accept the chapter as written.

The committee reviewed Chapters 40-44. A motion unanimously passed to accept the chapters as written.

REVIEW PROPOSED AMENDMENT IFC &
IBC 1008.2 EXCEPTION #2

Bill Bonn asked that discussion be tabled until the next meeting.

REVIEW OF THE INTERNATIONAL
EXISTING BUILDING CODE

Those present discussed adopting this code as a reference. A motion unanimously passed that the International Existing Building Code not be adopted as an incorporated reference for either the IBC or the IFC.

The meeting adjourned at 11:30.
